Old Business.

1. Art read out letter from BC Cancer Society. They had invited us to attend Partner Appreciation dinner. Nobody was interested in attending. Art to write back.

New Business:

1. Art opened discussion with mention of ideas presented by Paul Baker over the past 2 months. Item 1 – CCFR – A few months back Paul mentioned that CCFR (Canadian Coalition for Firearm Rights) was missing from our donation list. It was evident that members were unfamiliar with this group. Paul invited CCFR to the meeting and Ryan Russell attended. Ryan gave short speech outlying what CCFR did. He gave out hard copy of various activities and lobbying that they have done and continue to push for sensible laws for us all. Evidently \$2000 sent to CCFR came back as address was incorrect. To be resent. Copy of cover letter to be given to Secretary if possible. Item 2 – New Director Position – Awhile back Paul made mention that we as an organization do not promote ourselves adequately. The idea is promote the organization, the monthly shows and of course drive new members to our door. This to be achieved with contact to other Gun Clubs, Promotions at gun stores and perhaps another online outreach. Paul introduced Peter Thompson who has expressed interest in this position. As such motion was made by Paul Baker to open up a new position (Promotions Director) and elect Peter to this position. Seconded by Art (Motion carried)
2. Mention was made by Debbie, Bryan and Don regarding incorrect posting on our website regarding times our monthly show was open. Evidently upset people arrived after we had closed. It appears that closing times were listed as 5.00pm. Art indicated that this would be attended to by Alex.

Ron Tyson called meeting adjourned at 2:30

Minutes recorded by Paul Baker.
