RON'S REPORT

Hello again boys and girls. This will be the last report until the New Year. This saves a lot of headaches due to Christmas mail when the poor service turns lousy!

So, I'll tell you a bunch of things about the November 16-17 show. The first thing is something Dave Worfolk wanted me to tell you. Found in the entrance, a nice new lock blade knife. If it's yours, call Dave at 604.880.4706.

Now for the show. Apparently, and unknown to me, there was a gun auction on Saturday. It probably took a few visitors from attending, though we had a fairly respectable 287 visitors who paid admission. My biggest complaint of Saturday morning was that the first wave came in as a crowd the way it is at the door opening. It was crowded around the show and my tables. I didn't think to pay close attention to everyone and some swine stole six new clip magazines from my table. I hope when he gets home his mother runs out from under the step and bites his ankle! Theft isn't a common thing in our shows as a rule so most of us don't watch as close as is necessary. I certainly hope the swine won't require any more parts and accessories. As usual I saw a lot of guns going out to be bagged Saturday. I also saw that a lot of folks left carrying bags, boxes and other parcels. I assumed most people were having a good show. We had a terrible scramble just before the show: a two-table cancellation. Dave and I called around on our waiting list. Now it's hard to believe but none of our hopefuls could attend! Luck was with us though; Mike Hodgson stepped up and took one table and Dave Mulligan took the other and Saturday was saved. Saturday night Steve Roberts told me he was called in to work and couldn't be at the show Sunday. Bob Shade was the hero this time and took over Steve's tables. The other hero was Bruce Ledrew who, even though he had been working for a few weeks without a break, on hearing we needed Mike's table covered, he rose to the challenge. Our sincere thanks to all of you great guys. Dave and I were both tearing our hair out.

Well, Sunday started with the excellent breakfast The Lions' Club served. I heard NO complaints ever about the breakfast. Rhonna had a table for this show so we had breakfast together. I pigged out by having four slices of bread and cheese - twice what I usually eat. Rhonna usually has only one slice. I don't know how much she ate but I do know she couldn't eat any lunch! I ate a very small lunch. I didn't get the count from the door for Sunday. I know it was lighter. It was a steady stream coming in until about 11 a.m. Again I saw many guns going out to be bagged. This will surprise everyone: I even sold a gun! Rhonna sold more on Sunday than she did with Saturday's crowd. I was about even for both days. Just after I discovered the creep had stolen those magazines from me, I was still talking about it and a member who was standing at the table told me this, "Don't worry Ron, he will eventually be made to pay for what he has just done." Later Sunday as the show was winding down my daughter, Rhonna, asked me, "Well Dad how do you feel about the theft now?" On thinking about it, I told her even though I was out some financially, I still felt good because I've interacted with so many quality people. I'm not about to let one low down creep ruin my show! She told me that's the way she felt also.

On Saturday we had our usual directors' meeting. The important topic this month was that we were approached by the CFO officials about their presence at our Chilliwack show. To make a long story short, Jim Bennett represented us and this is more or less the agreement reached. They will have office space outside of the show area but in the complex. Here they will affect transfers, carry permits, etc. They will have a table around the building entrance with their hand out pamphlets. They are asking that we be self-regulating. This has never been an issue with our Club anyhow. This is the definition from an email received from the CFO: Secure locking device means a device
(a) that can only be opened or released by the use of an electronic, magnetic or mechanical key or by setting the device in accordance with an alphabetical or numerical combination; and (b) that, when applied to a firearm, prevents the firearm from being discharged. Removing the bolt also makes it inactive. The guns have to be made inactive. A large majority passed this motion.

This could be a win-win for everyone. If we follow what we all know to be right, we have no trouble. Then Ms Hamilton can say to anyone across the country that just showing trust and respect in BC we have no problems! Maybe the rest of Canada should follow our example. So let's all do our part to make Ms Hamilton Canada's CFO hero.

News Flash. I've just received word that Penticton will hold their 16th Annual Show on April 12-13/14. For info contact Kevin or Brenda, 250.494.4356, email: collector0003@gmail.com. This show sells out early so get right on it!

Reminder – no newsletter next month. We don't want to fight our way through the Christmas mail. I've booked my tables as you read this. Now don't forget we are having the last show of the year on December 8 here in the Operating Engineers Hall. At this time all of the tables are booked. So if you call, you will be on a waiting list. The first show of the year will be January 12, 2014. We have a few tables left yet for that event.

I almost forgot to tell you this. A member, Ricardo Shi, had tables booked for November. He is usually set up fairly early. He wasn't there at 8.15 a.m. so Dave called his cell number. He made a connection okay. Ricardo told him he was in China and hadn't been able to get out. Earlier he had called me from China to say he would be there to cover his tables. I'm now wondering about future shows.

After our donation to the NFA this summer, they generously sent a package of NFA products, i.e., caps, mugs, backpacks – seven pieces in all. These we used as table prizes in a draw on Saturday. Al had Catlyn and Dawn Brown as helpers for the draw. I think everyone who got a prize was either happy, surprised or both.

Don't forget, this is the end of the year. It's dues time again. The dues are the same as they have been for years; \$40 per year. Yearly table holders – if you haven't paid for 2014 by December, you will be out of luck. We are not taking on any new yearly members tables. As before the cost is \$120 per year per table with a two table limit.

Well boys and girls, that's all there is to tell for just now. I want to wish all of you a Merry Christmas and Happy New Year. So until next time, be good to each other.

Cheers,
Ron
