RON'S REPORT

Hello boys and girls, here we go again. Before I get into the actual September 7 show report, before that weekend, the building superintendent called me. He needed to tell me not to arrive at 5 a.m. as I usually do. He said they rented out the hall and a movie was being made there. Anyhow, I arrived at 6 a.m. The parking lot across the street was filled with a huge tent and those huge movie trucks. The east side of the street for 3 blocks was also filled with the movie trucks. I backed up to the front apron so I could unload. There were so many people moving around it reminded me of the ants when you step on an ant hill. After I went into the hall I saw lots more folks and some were setting out our tables. As mine was close to the door, I was allowed to bring my precious items in. By then more of our members were arriving. It was such a mix up the boys missed putting out three of the tables on our floor plan. Art and I had to find some cripples and cobble them up to work. It did work though and we had a busy show that everyone could enjoy.

One sad part was almost an hour after the show had closed Art Garbo realized he was missing a gun he had just bought. It is a Winchester Model 94 with a sling. We think some of the guys packing up took it by mistake. So if you have a '94 Winchester with a sling you don't recognize, call Dave at 604.880.4706 or me at 605.522.3609 so we can get this straightened out.

One of our members caught me and gave me a newspaper clipping to read. He thought I should mention this in the newsletter. It concerns the RCMP reclassifying firearms to prohibited. The Conservative Government has ruled that it will have a limit of one year to change its mind on a firearm. So people who have owned a firearm like the Swiss or Czech made CA858 rifles for years, won't suddenly become criminals. Maybe it's a step towards rules the RCMP will have to work within rather than make new rules whenever they want.

I've just had a call from Dave. He wants me to remind everyone coming or going to our shows: the police have asked us to make sure all firearms are covered, i.e., case, plastic tube, or rolled in a blanket. So please make Dave and the police proud of us.

Look out boys and girls! Here is some news that will knock your socks off. Art Hoivik and I have just booked a hall in Chilliwack. It's the Evergreen Hall, 9291 Caribou Street at Spadina in downtown Chilliwack. We have booked the Cheam Room for these dates in 2015: June 21, July 12, September 13, and November 14-15, all in 2015. The facility is larger than the Operating Engineers so will accommodate more tables. There are three loading doors plus the entrance. Parking is a dream, at least 400 cars in the parking lots, plus the street parking. Right now I haven't laid out a floor plan so I don't know exactly how many tables we can get on the floor. The size is 70 ft. x 104 ft., the O.E. hall is 65 ft. x 80 ft. So we gain a bit of extra space. To start with we will probably lift the two table limit to a three table limit until it starts to fill up. I'm trying to talk George Clark into taking the August dates that the Lions used to use and putting on another two-day show. I've talked to Fred from our Lions Club. He didn't think they would come out there at all. So right now we haven't got a coffee and sandwich service. Art just told me he has contacted a local Lions Club who are on-side about a coffee service. We'll know fairly soon I think, certainly before a show out there.

Well boys and girls, here's what Art and I have been up to recently. We've put on lots of kilometres (miles) and made even more phone calls. We're looking for a venue for monthly shows that has more floor space and tables. Our only win so far has been the earlier mentioned Evergreen Hall. Our plan at first was monthly shows from Burnaby to Chilliwack, giving lots of Valley folks a chance at our shows. So far only two places with our required floor space have turned up. One was in Maple Ridge and they only had 20 tables. On top of that the rent was double what we now pay! We expect to pay more, but we're not about to go double. We looked at three places in Langley. The third was ideal, more floor space, lots of parking, a nice bright room and reasonable rent. However, they had 30 tables LESS than we needed. We booked it though tentatively as the manager had to ok the booking. He contacted Art to say the shows could go but Sundays were booked by two church groups. I called our contact lady and said we were ok with Saturday shows and we would donate 30 tables to the center. She said she would call back after talking to the manager. However, she said the dates we wanted were already taken, but she would try and find new dates for us. She called back later to say no and no. The manager thanked us for the table offer but they couldn't store them. The gymnastic club wouldn't give up any Saturdays. So we were shot down in flames! At this moment I've got three people out "bird dogging" for space. I'll know more as time goes by. Here is what we need: floor space a minimum of 6000 sq. ft. with at least 80, 8 ft. tables. Ground level for loading, etc., and ample parking. The rent has to be reasonable! Twice I was quoted over \$1000 for seven hours! That is very unreasonable! Art has suggested if all else fails, that we move our monthly shows to the Evergreen Hall in

Chilliwack. I forgot to mention this important note. We are not welcome in Vancouver, Surrey or Coquitlam and Burnaby has no halls large enough. New Westminster has at least one large enough but can only handle 25 cars in their parking lot with NO street parking.

It all seems like bad news, but I'm an optimist and I'm sure something good is going to come our way.

I'd like all of the yearly table renters to speak to Dawn about booking your tables for 2015. We can't give the one free month at this time as we don't know what the future will hold concerning rent. I'd just like you to register with Dawn so that I will know who to expect every month. This makes it a lot easier for me to make up the floor plan.

I'm enclosing another application for any of our members who are not NFA members. It always surprises me to find out there are gun owners who don't belong. However, the fact is, there are. So here is another chance for you to sign up. Then if you run into some kind of bureaucratic problems, you have someone to call who will be on your side. I certainly recommend joining!

With all that boys and girls, I'm now going outside to chase down some weeds. So till next time, be good to each other.

Cheers,
Ron

Become a Member of Canada's National Firearms Association!

YES! I would like to become a member of Canada's National Firearms Association
