RON'S REPORT

Hello (finally) boys and girls, and I'm really GLAD to be back. I've just gone through a terrible ordeal that I certainly wasn't prepared for. Silly me, thinking it would only take a day or two to get over the operation. I was thinking about 45 minutes to do the job. In reality, I was first in the operating room at 6 a.m. I came out of the recovery room at 7:10 p.m. None of this was as bad as the stuff they sent up on mess trays and mistakenly described as food. I have to admit the coffee, orange juice and, once, a vanilla yogurt were good. As for the rest, if you had placed one of the mess trays in front of a dog, he would have given you a dirty look, then turned and kicked dirt and grass on the tray with his back legs. Then he would have ran away and hid. However, I did live through the ordeal, even though I lived on coffee and orange juice.

I want to take this opportunity to thank Art Hoivik who kept everything running smoothly and cheering me along with phone calls and emails. I'd also like to thank the members who called and/or sent cards. It meant a lot to my gaining strength back. THANK YOU ALL!

I missed (cancelled) three shows with this hospital interlude. In all the years prior to this I only had to cancel one show. It was a few years ago, a Regina show, in January. That year there was so much snow in the mountains that we couldn't get out of the Fraser Valley. So I called, explained things and the manager, Ted Cook, said that was a reasonable excuse so he would send back my cheque.

Anyhow, it's all behind me now but as I've said before, getting old isn't for sissies! Tough times end; tough people don't!

The next point has to be the change in parliament. We now have "mommy's boy" as prime minister with Margaret Trudeau as an adviser. We can't guess what's next. However, mostly it won't be in our favour. At this point my suggestion is join either or both the CSSA or NFA. The Canadian Shooting Sports Assn. is at this address: 7 Director Court, Unit #106, Vaughan, ON, L4L 4S5. The National Firearms Assn. is at P.O. Box 49090, Edmonton, AB T6E 6H4.

When bad times are on the horizon it's always a good idea to gather as much support as possible. The more people you have on your side, the better your chances are to keep from being stomped on.

Before you forget, yearly table holders, if you haven't paid for your tables, it's time to do it now. This is the way it works out: there are 10 one-day shows at \$20 per table. If you book for a year the cost is \$180 per table to a total of two. So you get one month free and there's not much for free these days. So, please get right on it! On the same topic, it's not too early to book your tables for March 19-20, 2016 at the Heritage Park show. A lot of tables are already booked, so don't be disappointed. Remember there are only just over 600 tables, this is a popular show so lots of tables are booked a year in advance. I can assure you sales are always good here. Even I sell a bunch of treasures. Here's what you'll have to do to book your tables. Call Gord Bader at 604.747.4704 or Al Amundson at 604.941.8489, or you could see Al at the show and get an application. It would be in your best interests to get right on this. The show is always a sell out and with a waiting list. Another thing all members should remember is that it's dues time again. Jennifer has the new cards and she is just waiting to make out your 2016 card. All you have to do is to get \$40 to her. Either in person or by mail. I know she will be happy to make you a brand new membership card.

I'm angry again and on my soap box. This time it's the 70 year old lady in Surrey who recently was physically and sexually assaulted during a home invasion.

Now, here's a story. I used to have a friend who was a policeman in Portland. In one area of the city a rash of home invasions started taking place. The police department of the day suggested to those residents to come to the station and get training on handling a handgun. Many residents responded. They were then encouraged to arm themselves. Then in the event of an invasion they would be prepared and trained to protect themselves. I've forgotten the details given me, I don't think there were many more invasions though as the risk was considerably higher. Now back to Surrey. If that lady had been armed with a nice little .38 Special and put a slug through the creep's groin area, she would have been spared much pain and anguish. As I've mentioned in previous pages here, only money and valuable metal are protected with firearms. Isn't there something missing from this scenario? Be sure Thomas Mulcair and Justin Trudeau would think nothing was wrong. Their answer, I'm sure, would be, well just call 911! That is NOT a perfect solution! Perfection only occurs in heaven!

Our sympathy goes out to Charlie Stewart and wife Phyllis. On August 14 each lost their sister. We grieve for you both.

Club member, Leo Hansen sent some interesting items for the enjoyment of the members. The second part will follow next month.

If a conservative doesn't like a talk show host, he switches channels. Liberals demand that those they don't like be shut down.

If a conservative is a non-believer, he doesn't go to church. A liberal non-believer wants any mention of God and Jesus silenced.

If a conservative decides he needs health care, he goes about shopping for it, or may choose a job that provides it. A liberal demands that the rest of us pay for his.

If a conservative reads this, he'll forward it so his friends can have a good laugh. A liberal will delete it because he's "offended".

If a conservative doesn't like guns, he doesn't buy one. If a liberal doesn't like guns, he wants all guns outlawed.

If a conservative is a vegetarian, he doesn't eat meat. If a liberal is a vegetarian, he wants all meat products banned for everyone.

If a conservative is down-and-out, he thinks about how to better his situation. A liberal wonders who is going to take care of him.

Well boys and girls, finally the November show report. It turned out to be a super show. Saturday we had 481 guests, Sunday is always slower with 187 admissions. Saturday I believe sales were very good for all the tables. Even I sold two guns, however, one didn't have a bolt. I also sold a bit of small stuff and a bunch of clip magazines. Though, for me, it was truly a wonderful show! More people than I could ever have expected stopped by my table to welcome me back. Lots were club members but there were a lot of visitors also who gave me their best wishes. I most humbly thank all of you for your kind words, handshakes and hugs! I just can't tell you how much it has meant to me to realize how many of you all were pulling for me. I hope I will NEVER let any of you down. So again, my heartfelt THANKS!

As I said before, I was left much weaker than I ever expected. So I put together enough fairly light stuff to cover my tables. Of course, most people were looking for gun parts. I'd left this heavy case at home also the other heavy case with magazines and small gun parts. To my surprise even the gunstocks I sometimes bring were asked for. I'll try for the December show to bring heavier stuff and less of my silly guns.

I was surprised that having been away for a couple of months, how many new faces I saw at the tables. Also a lot of new members, many I'd never seen or talked to before. It's certainly a good sign for our club.

Art sure has done a great job getting our tables covered. He told me the December show is now sold out.

We're all hoping our treasurer, Mike Wallace, will be mended after his accident and be at his tables in December. We're all pulling for you, Mike. We know you're tough.

Boys and girls, I think that's enough for now. Please don't forget your 2016 Club dues or yearly table rent. I'll see you all in December.

Cheers for now,
Ron
