## RON'S REPORT

Well boys and girls, here's an important announcement, we have just learned that a fellow from Swift Current had a gun stolen at the Lethbridge gun show. It was a Colt model 1849 pocket, serial number 264833. If the gun shows up please contact the Lethbridge RCMP or you can call Al Amundson, 604.941.8489.

I'll start out with something that is really important. On March 7-8 our Club puts on our largest gun and antique show. If any of you folks want or have considered having tables then it's time to rush to a phone and call Gord, 604.747.4704 or Al, 604.941.8489. The reason for hurry is we are nearly sold out! So don't be disappointed, call NOW! On the same subject of the March show, last year the CFO had an office just up from the show where you could get an immediate transfer and carry permit if you bought a handgun in the show. This morning I just heard from the CFO that they will offer the same service again this year, although their staff has had a cutback so it may take a few minutes longer. For any members who are looking for obsolete ammo, Stan Taylor will be attending with a large supply of hard to get ammunition. Stan also carries a large selection of all kinds of gun books. Don't forget to ask him about the August 22-23 gun show he sponsors in Torrington, Alberta. He gets after me if I don't mention his show. Now you can get the details in person, right from the source! Note, I've always heard good reports from those who participated.

Now here is some news regarding the newsletter. A few members have asked to get their newsletter sent via email. Apparently the lady doing the mailing has no means of sending it by email, so she sends it by Canada Post. I'm not computer literate, but Art Hoivik suggested this: all you have to do is go on the Club website and it will tell you how to access the newsletter. Then you are free to read it or print it off. If anyone has questions call Dave at 604.880.4706. Dave will advise you on the steps you need to take to get the newsletter.

I've just heard that the March show is sold out. So, call to get on the waiting list. There are always a few cancellations.

Now I have some very special GOOD NEWS. In the last newsletter I suggested some older members can't make the trip to Chilliwack, but anyone who knew an older member could give him a ride. Well, I've just got word of a real MAN. His name is John Jensen and he called Mike Wallace to say, "If anyone needs a ride to Chilliwack for the show to give him a call." Here is the gentleman's number, 604.620.0652. As I've told many people over time, the best citizens around are the gun guys and this again goes to prove what I've said for lots of years. Thank you John, from all the board and the rest of the membership.

Back to the March show for a bit. Quite a few of the hotels/motels in Chilliwack have offered participants of the show a special on rooms. If you go on the Club website, Art says they are listed there for anyone to see.

Now, another "heads up". Starting with the April 19, 2015 show at Evergreen Hall, I will no longer be taking the table reservations. These will be handled by Dave at 604.880.4706 and Art Hoivik at 604.858.8309. The reason for this is that Art lives in Chilliwack and is in contact with all of the folks that set up tables and any or all changes that have to be made. Also, it's Art who goes over every month and pays the rent. So you can see with Art being right there how much more efficient the change will be. You can still call me for any information you might think I can share with you though.

Now the BIG news is our February 8 show. It exceeded all expectations and hopes. We had 83 tables rented. That is 12 more than the Engineers' Hall could accommodate. The big news was the

attendance. We had 460 paid guests! The record attendance at Ledger Street was just under 320. This is only the second show at Evergreen. Imagine the shows next year! We will probably have to find a way to squeeze a few more than 87 tables on to our floor plan. I think all of the executive members did a happy dance when we got the figures for attendance. We also signed up more new members in the Club.

As you might expect, having a table made you a very busy person. Getting away to walk around was just out of the question. I was lucky George Clark came by my table just in time for me to ask him to watch it for me. I was afraid I was going to embarrass myself if I didn't get to the bathroom. Whew! I was too busy to notice how much stuff was being taken out. I think nearly everyone had a good show though. I certainly did! You'll find this hard to believe with my show history: I sold 2 nice rifles! Imagine 2 out of 3 I brought to the show sold. I was also asked to bring another to the next show that I'd left at home. I noticed more of the members from the Metro area making their way up the Valley for the show. A lot of them stopped to tell me they were sure glad they did. We were glad to see Tom Norris at the show after his very serious hospital sojourn. It's a little sad that Bruce Ledrew has cancelled his yearly tables. But, he came to the show to say he had sold out and had nothing left to put on a table. We're sorry to see you go Bruce. Though I guess it was the right and only decision to make. Another yearly table holder attended but only as a spectator. Ed Krawinkle has to have someone to drive him to the shows now. So sometimes it takes more time to get a driver and he will be too late to cover his table.

There wasn't much business to discuss at the directors' meeting after the show. Mike is still gathering his figures so he can make up the year's budget. With the move from the Engineers' Hall, it's hard for him to estimate our income. We also discussed the possibility of extending the show by one hour. But what happened last month was the newspaper ad had the wrong hours so people were coming later. This month the ad copy was corrected and the crowd started to thin out by noon. It was decided to stick to our original hours closing at 1 p.m. I was in favour as I'd been up since 3.30 a.m. Next time I'm not going to get up as early, maybe 4 a.m. would be a better bet.

So I guess boys and girls, that's about all I know just now. Until next time, be good to each other.

Cheers,  
Ron
