## RON'S REPORT

Ron is on a medical time out. He asked if I would do his report for the October Newsletter, so here goes. I did not pay that much attention when the Literary Arts were taught in school but I will do my best.

As you may have noted in the last report Ron was restricted to lightweight lifting prior to the August show. The Doc found Ron had a fair sized aneurysm below his heart. He was booked in for surgery on Wed. Sept 16th. He came through the 3 1/2 hour operation in fine form and is recovering nicely. His daughter, Lei, told me they fed two items up the leg arteries leading to the aneurysm, one was a micro camera and the other looked like something you would use to clean a rifle barrel. Amazing.

As you all know Ron is one tough bird and he will be back on track and on the gun show circuit before you know it. Ron is one of the pistons in the engine that put this club back on track. HACS is thriving and we have been able to donate thousands of dollars over the last few years to Camp Good Times for kids fighting cancer and the CKNW Orphans Fund.

We had a good show on Sunday Sept. 20th. Good crowds all day long, 300 through the door plus all the HACS members. Lots of guns changed hands which was nice to see. It was raining fairly heavy all day which brought the people in. The only other event on was the Terry Fox Run.

Some new faces at the show. Roy Barrington booked a table at the Aug. show for Sept. paying in advance. Roy has been a steady customer at our shows and he has finally decided to sell a few of his toys. Wouldn't you know it he arrives to set up and I did not have a table for him. Bruce Ledrew had booked 2 tables and he gave up one to give to Roy. Thank you Bruce, well done.

The shows in Chilliwack at Evergreen Hall seem to be working out well. The cost is about the same as they were in Burnaby and the cost includes the set up and take down of 84 tables. The food is great and the word is out. The Lion's ran out of food at 11:30 AM. This was their best show yet, food wise. Their money goes to charity as well.

Book now for the Oct 4th show which is only 2 weeks away. The Oct show is early but we did not want to set it for the Thanksgiving weekend or interfere with other gun shows in Oct. We try our best to keep the shows roughly a full month apart but some months we have to work around other events at Evergreen Hall as well. Speaking of Evergreen Hall there was a party event on Sat. night and the staff worked late into the night cleaning the hall and setting up the tables for our Sunday show. We are very fortunate to have this venue for our shows. The hall was spotless Sunday morning for the show.

Speaking about new rules, the Common Sense Firearms Act came into full effect on Sept. 2nd. Everyone who currently has a POL now has a PAL. If you hold a POL that has expired you will have to take the course to get your PAL. Permits to Transport are now built into Restricted/Prohibited PAL's. Those who belong to Gun Clubs no longer need a permit to take their handguns to the range. You can also take handguns THAT ARE REGISTERED TO YOU

to a gunshow. If you make a sale you have to retain possession UNTIL THE TRANSFER to the new owner has been completed. Request you be advised by email when the transfer has been completed, this will speed things up.

I have a few tables left for the 2 day show on Nov. 14th and 15th. Al is arranging overnight security at the hall. Setup Sat. morning will be the same with the hall open at 6AM for setup. Limit of 2 tables per vendor. Make sure you bring table covers that reach the floor in front of your tables. We do not allow sales from the floor in front of your tables. No dogs allowed in the hall. Sat. hours 8:30 AM to 3:00 PM. Sun. hours 8:30 to 1:00 PM. We have quite a few vendors from out of town booking tables.

That's it for now. Stay safe and see you at the next show.

Cheers,

Art
