## RON'S REPORT

Our Father's Day show this year was a little slower than usual. No one seemed to have an explanation for the lighter turn-out. However, those who were vendors seemed to have done okay. I saw lots of guns and ammo being taken out during the show. You're all waiting for this. No, I didn't sell any of the three fine firearms I brought to the show. One was a Lee Enfield No. 4, MK ½ in full military and in fine condition. Many folks ogled it but no one wanted to take it home. I had to! That's certainly not to say I didn't make expenses. I did, I covered my table rent and the gas to get to the show. Most important to me though is, I had a good time and did a lot of socializing. One important part was that long-time member, Morgan Wong, came out for the show. It's just ages since I saw him last and it was a treat to have a visit with him. He says that he isn't a very good driver so he doesn't like driving on the freeway. Now that he has mastered the drive we may see more of him.

Speaking of the drive now, it was Father's Day and lots of us were due at one place or another for a dinner. So with that in mind we didn't have a directors' meeting to save a bit of time. So here is my story. I left and gassed up and got within three miles of Abbotsford when I hit a traffic line up. I thought it would clear at Abbotsford, it didn't! The radio said there was an accident around Langley. In two hours I got to Langley and could drive the speed limit again after two hours of just creeping. I couldn't see any signs of an accident. We just seemed to get out of the line up and start driving. I was due at a family dinner the time I arrived home so I called to explain I still had to unload and clean up. I was just over an hour late. It was a Father's Day dinner and two birthdays. There are two fathers, one grandfather and me the great grandfather. My oldest grandson, Ron, and his daughter, were the birthday people. Lucky for me they also had been held up, so I was there to greet them! My great granddaughter, Amelia, was turning four. She was very excited about the fact and told me that she was now four and she was now a big girl!

Back to the show. I forgot to get the name of the member with the three year old little gentleman. I saw them coming in and the little member showed me how many stripper clips they brought. He also brought a plastic bag full of toy trains which he generously showed around. He was so busy visiting he didn't get a chance to go around with his hand truck picking up garbage. I can't do justice to the description of this little gentleman who is three years old going on forty-five. So any of you who want to see for yourselves will just have to attend a show.

Attention Gord Bader! The 2018 pens are here now. See Art because he has them in the Club locker!

Over 12 years ago our slate of officers were elected to HACS board. Al Amundson and I thought we could be better thought of as gun owners if we did something to help folks who needed help. We thought kids. So we decided to donate to the BC Cancer's Camp Good Times. A camp for kids fighting cancer. We also thought CKNW Orphans' Fund could use our help. Al is looking after these jobs and he told me at the show, we donated over \$102,000 just to the Cancer Kids camp. The folks at BC Cancer are going to send someone to the show to accept our cheque for this year's donation. He is also in contact with CKNW regarding our donation to them later in the year. Al and I both thought this was a much better way to use this money where it would help some struggling kids, than to put on gala executive dinners and parties. We must have been on the right track because with the publicity from these donations the Club membership has almost tripled! So this just shows what being nice can do.

Remember what I've told you: the September show is now the 24th. That is one week later than originally planned. Don't make the trip to Evergreen a week early only to find out we're not there.

Another show to remember is the Torrington, Alberta show on August 26-27. Stan gets after me if I don't mention his show. So it's mentioned. For more information or tables call Stan Taylor, 403.556.5768. It's held in the Ron Garr Arena, Highway 27 in Torrington.

I'll mention this again also. It's about the newsletter mailing. It has been done for years so that members got the newsletter before the next show. Now Dale, the lady who for the last 11 years has done the mailing, has asked us to find someone else. At first her young daughters helped to get pocket money. Now that they have grown up, Dale did it alone. Because she has a responsible job besides a home to look after, it has become too much of a burden. Jennifer and Debby are now getting it ready to mail during the show. After the show Art mails it so you get your newsletter roughly a week later than before.

I asked George Clark if he could ask Dale to call at my house with the extra envelopes because I had a thank you card for her. She dropped past, we had a visit and I gave her the card which contained a gift card. She was very surprised. Then said she couldn't take the gift card because we always had paid her. I told her that we thought she was worth the gift card so she could get herself a treat. So reluctantly she did take it. I guess that's the end of an era.

By the time you read this, I will have ordered the 2018 membership cards. So if you want to beat the rush they will be at the August show. That will be August 13.

I had a phone call from a man at Silvercore. It was something regarding computers for which I am totally ignorant. I told him to call Art, I knew he would understand the computer thing. I was right! I talked to Art on the phone this morning and he explained the call. It was about putting up guns on a gun auction. Apparently Silvercore run a gun auction and to post something for sale on their auction, you have to be a member. Art says that gives them a control over scam artists and other types of cheaters. The offer they made is the membership is \$100, however, they are offering proven HACS members a 90% reduction in membership. Art has sold guns on their auction and claims it to be a great way to sell expensive guns. He has told them to come to our show, have a table and advertise to our members. It seems like a good deal all around. If you want to talk to them, call 604.940.7785 toll free 1.855.771.5837 and tell them I sent you.

I've just received a letter from the new Conservative Party leader, Andrew Scheer. Of course, because I'm a party member he has hoped I'll make another donation. However, the rest of the letter has interesting facts about our present government. He emphasises the fact that our self-obsessed Prime Minister NEVER misses an opportunity to promote himself and his own best interests, like attending exclusive fundraisers to seek donations for the Trudeau Foundations, six figure taxpayer funded vacations, hob nobbing around the globe with billionaires and rock stars, Vogue magazine photo shoots and walking the red carpet on Broadway. These are his top priorities. Not about what is best for Canadians. Unfortunately not everyone running for civic office thinks they are there to serve the country!

We are all aware of the 30 billion per year deficit. It will be 2050 before that is paid off and with interest! How about his new carbon tax? It will add 11 cents per litre to gasoline and cost the average Canadian family \$2500 per year.

He also cut the Liberal Parliament to having Fridays off. A three-day weekend. For himself though, a six-day weekend as he only intends to work ONE DAY!

I've got to stop, I'm getting chills and fevers! However, I thought these are a few things you should be aware of. We all know and expect more of some kind of Liberal anti-gun legislation.

Well boys and girls, I hope those facts didn't put you off your meals. So until next time, be good to each other.

Cheers,  
Ron
